

UC DAVIS

CENTER FOR WATERSHED SCIENCES

WOMEN IN WATER SCIENCE

The Center for Watershed Sciences Diversity, Equity, and Inclusivity Committee will be facilitating an open conversation about gender disparities and challenges women face in STEM. All are welcome to join in exploring different ways we can all be allies to women in STEM!

Discussion Panelists:

Ann Willis
Senior Researcher/PI

Rachelle Tallman
Graduate Student

Rachel Johnson
NOAA Agency Researcher

Katrina Jessoe
Senate Faculty/Associate Director

EVENT DATE

04.01.2021

Thursday | 1PM | Zoom Meeting
